

VERMONT CHILD CARE LYNX

What is VTChildCareLynx.org?

VT Child Care Lynx is a website that offers Vermont's early childhood programs a professionally designed, easy-to-use, online platform to market your program for increased visibility!

- » **Personalize** your provider profile and highlight the curb appeal of your program with a quality photo
- » **Share** your website with an easy click
- » **Promote** all you offer such as meals and services
- » **Update** your openings as they occur and Lynx will automatically boost your program to the top of the search list in your region
- » **Respond** to email reminders when it is time to update your available slots
- » **Offer** families a convenient method to contact your program automatically through email provided
- » **Provide** families with a simple way to search for available child care that fits their needs
- » **Participate** at no cost to your program
